

# The Universal Tree

t. Michael Roads / m. Nanne Kalma

**Chorus** I am the singer, I am the song, I live in the Light where I belong  
I am a tree, I am its grace, I am the leaves, they are my face,  
I live in the Light where I belong, I am the singer, I am the song.

My roots go deep, my strength is vast, I am the first, I am the last,  
I am a tree, I am its grace, my energy touches the human race,  
I touch the soul, I reach the heart, I am the whole, I am the part.  
I am a tree, I am its power, my trunk is tall, I am a tower,  
I reach my branches to the sky, I simply grow, I do not try.  
I am a tree, I am its strength, I am the limbs, I am their length.

## Chorus

I am the life within the tree, I am the Light, the Light is me,  
I am the leaves containing light, I am the tree that shines so bright,  
I am the Light that shines the tree, I see you, you can see me.  
I am the fire of inner growing, I am the light of deeper knowing,  
my roots are anchored in the earth, my seed is gone, I am its birth,  
I am a tree, my beauty bright, I am a tree, I am the Light.

## Chorus

I am the flowers of this tree, I am the birds, I am a bee,  
I am the fragrance of each flower, I am its light, I am its power  
I am the song of fragrance bright, I am the scent of each still night  
I am the cosmic life of tree, I am in you, you are in me,  
I reach the stars as stars reach me, I am the moon, the moon is me  
I am the light within the tree, the tree is you, and you are me

## Chorus
